INSTRUCTIONS

1. **This is a legal document. It is a permanent record.**

2. **A birth certificate must be filed for every child born.** In case of plural births a separate certificate must be filed for each child.

A stillbirth must be registered on a special stillbirth certificate. If, however, the foetus has not advanced to the fifth month of uterogestation no certificate need be filed.

3. **All information called for on this certificate must be given.** Read the printed matter carefully.

4. **The physician in attendance must file the birth certificate with the local registrar of the registration district in which the birth occurs within four days after the birth.** If there was no physician in attendance, then the midwife or person acting as such, must file the birth certificate with the local registrar. If no person attended the birth, then the father or mother must file the birth certificate with the local registrar.

5. **In Freeholders Charter Cities and in those cities of 5,000 inhabitants or more at the last census which have a contract with the county health officer to care for the health work in that city, the health officer is the local registrar.**

In other cities of 5,000 inhabitants or more at the last census, the city clerk is the registrar.

The balance of each county is divided into rural registration districts, with the registrar especially appointed. It is customary for city clerks to act as registrars for rural districts. Information concerning district boundaries can be obtained from the Department of Public Health, Vital Statistics, Sacramento.

6. **Signature.** This certificate must bear the actual signature of the physician, midwife or person acting as midwife. Typewritten and rubber stamp signatures are not legal and can not be accepted.

7. **If the child is not named before this certificate is filed a supplemental report of birth must be filed with the local registrar as soon as the child is named.** Secure the blank from the local registrar.

8. **Fill out the certificate (except signatures) with typewriter if possible.** Otherwise write plainly with black ink.

9. **Be careful in spelling names. Make them legible.**

INSTRUCTIONS

1. **This is a legal document. It is a permanent record.**
2. **A birth certificate must be filed for every child born. In case of plural births a separate certificate must be filed for each child.**

A stillbirth must be registered on a special stillbirth certificate. If, however, the foetus has not advanced to the fifth month of uterogestation no certificate need be filed.

3. **All information called for on this certificate must be given. Read the printed matter carefully.**
4. **The physician in attendance must file the birth certificate with the local registrar of the registration district in which the birth occurs within four days after the birth. If there was no physician in attendance, then the midwife or person acting as such, must file the birth certificate with the local registrar. If no person attended the birth, then the father or mother must file the birth certificate with the local registrar.**
5. **In Freeholders Charter Cities and in those cities of 5,000 inhabitants or more at the last census which have a contract with the county health officer to care for the health work in that city, the health officer is the local registrar.**

In other cities of 5,000 inhabitants or more at the last census, the city clerk is the registrar.

The balance of each county is divided into rural registration districts, with the registrar especially appointed. It is customary for city clerks to act as registrars for rural districts. Information concerning district boundaries can be obtained from the Department of Public Health, Vital Statistics, Sacramento.

6. **Signature.** This certificate must bear the actual signature of the physician, midwife or person acting as midwife. Typewritten and rubber stamp signatures are not legal and can not be accepted.
7. **If the child is not named before this certificate is filed a supplemental report of birth must be filed with the local registrar as soon as the child is named. Secure the blank from the local registrar.**
8. **Fill out the certificate (except signatures) with typewriter if possible. Otherwise write plainly with black ink.**
9. **Be careful in spelling names. Make them legible.**

Old-Fashioned Christmas Dinner (Christmas Eve or Christmas Night)

by Nicole Aloni

Dinner Menu

This is a savvy blending of done-ahead recipes and some great Sam's Club items (in italics). Serve the crab cakes, quiche and champagne as everyone gathers. Then pop the tenderloin in the oven about 40 minutes before you want to sit down to dinner.

Roast Tenderloin of Beef with Horseradish Dijon Butter

A tenderloin of beef is the hands-down favorite for any festive occasion. It is the most tender and flavorful cut of beef and needs little more than some herbs, garlic and a quick roasting in high heat.

The compound butter included here is ideal for entertaining because it is prepared days in advance and then placed on the roast meat at the last minute to melt into a shiny, luscious sauce. Serve this dish with a cabernet sauvignon.

Makes 8 servings

- 4 lbs. beef filet, center cut, with some fat left on
- 1 1/2 tbsp. minced garlic
- 2 tsp. minced thyme
- 1 tsp. minced fresh rosemary
- 1 tbsp. kosher salt
- 1 1/2 tsp. freshly cracked black pepper
- 2 tbsp. olive oil

Horseradish Dijon butter

- 1 stick of unsalted butter, creamed
- 2 tbsp. minced shallot
- 1 tbsp. minced chives
- 1 tbsp. Dijon mustard
- 1 tsp. prepared horseradish

1. Combine all of the ingredients for the herb butter in a food processor and pulse to blend thoroughly. Transfer the butter to a sheet of waxed paper or plastic wrap and form into a 1-inch diameter log. Wrap tightly and refrigerate. This can be prepared up to 3 days before use.
2. Cut shallow slits along the top or fat side of the roast. Mix the garlic, thyme, rosemary, salt and pepper, and rub into the slits and all over the roast. Let rest at room temperature for 1 hour. Drizzle the olive oil all over the top of the roast.
3. Place the roast on an ungreased, shallow roasting pan, and put in an oven preheated to 450°F. Begin to check the temperature of the roast with an instant-read thermometer after 25 minutes. When the center of the roast registers 120°F for rare (125°-130° for medium rare),* remove from the oven. Let rest at least 10 minutes before carving. Total cooking time will be 30 to 40 minutes.
4. Slice beef 1/2 -inch thick and top each serving with a 1/4 -inch wedge of the compound butter.
